## GOOD-BYE; GOOD LUCK

To you men and women who are being dismissed from the government service, because there is no longer sufficient work to require so many employees, we wish to say a word of farewell.

And as you scatter to the four corners of these United States, we want you to know that there goes with you from the people of Washington a hearty handclasp of friendship and best wishes for success in new fields of endeavor.

## Extraordinary Purchase and Sale of 1,800 Pairs of Women's Full-Fashioned Silk Hose

\$1.65

Samples and slight "irregulars" of three famous brands, and when we say "irregulars" it seems almost an exaggeration of faults, because the trifles that class them as such are so slight as to be almost imperceptible. Of course you know what to expect of "samples"—well, these are all of that, and being world-famous brands, they are the very creme de la creme of excellence.

Most of these Stockings are black and the sizes principally 9 and 9½, but as these are considered normal sizes, of course we are in luck to get them for you.

Full fashioned, some with the famous reinforced heel that is known wherever stockings are worn—you'll notice it when you examine them.

It will be your loss if you miss this sale.

Every pair you buy is an investment, not an expenditure.

## July Reduction Sales Will make a quick disposal of these Sheets, Pillowcases and Domestics

Every dollar you spend for these utilities will prove a paying investment, for these wares are always needed.
